

# Training & Certification

## Our Training Program

- BeCentsAble does offer a complete training and certification program.
- After you register to be an Educator, a trainer is assigned to assist you with your training and certification.
- You will also have access to the Educator website which contains all training materials and forms, up-to-date resources and a forum for you to chat with other Educators.

## Our Trainers

- Assist the Trainee in studying for the Online Test
- Answer any questions or concerns
- Administer the Certification Session
- Provide assistance with your first workshop

## Educator Training Fee

- Educators must pay a one-time training fee of \$150 (includes shipping charges).
- The training fee gives you access to the BeCentsAble training site, includes all training and certification materials, presentation materials and DVD and a Workshop Starter Kit.

## How to Become Certified

- Register and Submit the Online Forms
- Submit the Educator Training Fee
- Review All Training Materials
- Attend a Certification Session (live, Skype, WebEx or by phone)
